olathecoc@gmail.com

Are You a Christian?

Do you know what you must do to be saved?

Hear – Romans 10:17

Believe – John 8:24

Repent – Acts 17:30

Confess – Romans 10:9-10

Be Baptized – 1 Peter 3:21

Live Faithfully – Revelation 2:10

Got a Bible question?

Be sure to submit it in the blue box on the table in the foyer! You can also text your question to 913-764-2325 or email it to olathecoc@gmail.com

Questions will be answered the last Sunday evening of each month.

But I Don't Want to Do It!

Larry Fitzgerald

I read about a chef that was fired. He was a good chef. Trained at the best cooking school. Had a flair for bringing out the best taste in food. His work ethic was beyond reproach. So, why was he fired? Because he wouldn't wash his hands. Customers had noticed in the restaurant's restroom and complained. Many had walked out. When asked why he didn't wash his hands, his answer was truthful – "I don't want to do it."

Moses "didn't want to do it." No, it had nothing to do with proper hygiene. He couldn't imagine himself being God's spokes-man before Pharaoh. But God convinced him to take the job. The Lord would provide what-ever was needed for the task at hand. Moses just needed to understand that Jehovah wasn't requesting that he go back to save the children of Israel. God was commanding him to go (Exodus 3:1-22).

Similarly, we need to understand that the Lord didn't just ask that we help him in saving others, he commands it. If you've been saved from your sins, it is expected that you will help the Savior find others to save (Matthew 28:18-20).

Ticks and Sin

Amon White

Ever had a tick on you? Ticks are small blood sucking mites. They spend a good bit of time just waiting in bushes, grass and woods for a victim—you! Once you happen by, they jump on and attempt to quickly crawl to a protected spot on your body. Then they sink their mouth parts into your flesh and begin to feed on life blood. If undetected, a tick will fill itself full and then drop off, often leaving its host inoculated with some debilitating disease such as spotted fever, relapsing fever, Lyme disease, tularemia, encephalitis or rickets. The tick is a lot like many kinds of sin:

- It may get on you when it is small and almost undetectable.
- It doesn't demand much sacrifice, but it may cause a little irritation.
- Once embedded, it's hard to get off.
- It gets bigger the longer it stays on you.
- It leaves you very seriously ill.

Some advice for dealing with ticks and sins:

DON'T WALK IN PLACES THAT ARE INFESTED. "See then that you walk circumspectly not as fools, but as wise (Ephesians 5:15).

EXAMINE YOURSELF DAILY. "Examine yourselves as to whether you are in the faith (2 Corinthians 13:5).

HAVE OTHERS EXAMINE YOU, AND HELP EXAMINE THEM TOO. "But exhort one another daily, while it is called 'Today', lest any of you be hardened through the deceitfulness of sin" (Hebrews 3:13).

IF ONE GETS ON YOU, GET IT OFF IMMEDIATELY. "Confess your trespasses to one another, and pray for one another, that you may be healed" (James 5:16).

IF YOU REALIZE YOU ARE GETTING SICK, SEE THE DOCTOR. Jesus said, "Those who are well have no need of a physician, but those who are sick. I did not come to call the righteous, but sinners to repentance" (Mark 2:17).
