The Appeal of Our Gospel Meeting

Adapted from an article Ted Thrasher wrote.

This morning we start our Gospel Meeting with brother Bryan Braswell. This will be an exciting week as we look at the topic of Jesus is Better from the book of Hebrews. Consider some of the ways that our Gospel meeting will be beneficial to you and others.

1. Our meeting is an appeal to **YOUR FAITH**. If we really believe in the power of the Gospel to change the lives of us all, we will be present at every service and we will encourage others to attend.
2. Our meeting is an appeal to **YOUR INTEREST**. Where is your heart? Our meeting will help you see exactly where your major interests in life are, and what is the most important thing in your life.
3. Our meeting is an appeal to **YOUR CONCERN**. It will show how badly we want those in spiritual need to receive help with their problems of sin and weakness.
4. Our meeting is an appeal to **OUR COMMUNITY**. The attendance and interest expressed during these five days will show us just how much influence we have in our community. If properly conducted, our meeting will create for this congregation a greater influence within our community.
5. Our meeting is an appeal to **YOUR ENERGY**. Nothing ever was successfully accomplished without hard work and work is never accomplished without the time and effort of energetic people.
6. Our meeting is an appeal to **THOSE IN ERROR**. Every time the Gospel of Christ is preached, the devil himself is called into question and convicted as a liar. Those in error need to repent and come back to righteousness, our meeting will appeal to them to return to God.

As you have the opportunity this week, I want to encourage you to be here for the lessons. Also be sure to invite someone with you to hear God's Word boldly proclaimed.
